

Name: **YOUMIN LI**

Research Interests: Agricultural Economic; Agricultural & Food Economics Policy

GIS&RS Application in Rural Development; Grassland & Farmland Management

E-Mail: YOUMINLe@hotmail.com

Tel: +86 15693336844

Address: Room G120, McCarty Hall B, CALS, Gainesville, FL 32603, USA.

EDUCATION BACKGROUND:

- Agricultural Economics (Ph.D) 08/2024-
Advisor: Prof. Sharry Qiao University of Florida
- Agricultural & Resource Economics ([M.A.](#)) 08/2023 - 08/2024
Advisor: Prof. Kim Kwansoo. GPA: 4.2/4.3 (A+) Seoul national University, South Korea
Thesis: "Impacts Of Ecology And Consumer Percep Tions On Olive Oil Consumption Choices: Case Of Spain"
- International M.Sc of Rural Development ([Erasmus](#)) 09/2022 - 08/2024
Supervisor: Prof. Stijn Speelman. GPA: 17/20 Gent University - Humboldt University of Berlin, EU
- Agricultural Economics (B.D.) 09/2017 - 07/2021
Tutor: Prof. Yan Zhang. Major GPA: 83/100 Lanzhou University, China
Thesis: "Study on Integrated Grass-livestock Agriculture: Cases of Inner Mongolia."
- Economics (Exchange student) SungKyunKwan University, 08/2019-12/2019

RESEARCH EXPERIENCE:

- Pisa University-[Case Study](#): Small farms and Environment. Tutor: Dr. Brigida Marovelli. 07/2023
This theme focuses on the relations between farming and the environment and, particularly, on the way small farms' contribute to the use and reproduction of genetic resources and agroecosystem services in Tuscany.
- Peking University. One Belt and Road Research Group, **RA**. Tutor: Dr. Wei Xin 04/2022--
Response for literature research, compilation and translation related to China's "One Belt, One Road" initiative.
- Peking University, Advanced College of Agriculture. Tutor: Prof. Lingling Hou 07/2019
[National Grassland Agriculture Modernization Strategy Research Project](#). Survey investigation on local enterprises, farms and governments in Inner Mongolia, Hebei and Tibet. Wrote the research report to summarize the development and impacts of integrated grass-livestock agriculture.
- Peking University, Guanghua School of Management. Tutor: Dr. Weiguo Zhong 05/2022
Corporate data collection in Ministry of Industry and Information Technology. [Subject No. IRSP-#-NO.111](#).
- China Agriculture University, [Food Safety Policy and Strategy Research Base](#). 01/2022
Questionnaire survey of meat consumption cases on the impact of rural revitalization in Inner Mongolia.
- Econometric cycle official account, RA 02-06/2020
Translate and compile academic literature and empirical techniques (Stata, R). Ref: econometrics666@126.com.
- Chinese Academy of Sciences, [Institute of Botany](#), RA. Tutor: Prof. Liu LL 07-08/2018
Participated in the lab, field experiments, and data analysis on "The Effect of Aerosols on Crop Growth".

PAPER and PRESENTATION:

- Youmin Li, Kwansoo Kim (2024) "Contributions of small farms to ecosystem services and the challenges for future rural transition: evidence from Garfagnana area, Italy." [Ecosystem Services](#). Under review.
- Youmin Li, Jongwoo Choi (2024) "The trust perception impact on Consumption Choice of Olive Oil: Case from Spain." [Journal of Agricultural and Food Economics](#). Revising.
- Youmn Li, Jinyu Xiao (2021) "Study on drivers and impact of integrated grass-livestock development: a case study of Hebei province." [Journal of Grassland Science](#) [《草业科学》](#).
- Presentation: Youmin Li, Sandra Wickart, Hannah Caminada "Revalorizing Garfagnana's Environment by Enhancing Chestnut Value Chain." Garfagnana Municipality City Hall, Italy. July 2023.
- Presentation: Youmin Li "Assessing Vulnerability of Dehesa Systems to Global Change using GIS and

Remote Sensing Technology: Insights from Morillas Farm.” Cordoba, Spain. June 2023.

- Policy Brief: Youmin Li (2022) “Enhanced implementation of CAP 2023-2027 - Short Food Supply Chains.”
-

SKILLS:

- **Language Skills: TOEFL 104, GRE 322 (Q:170+V:152,A:3.5), CET 6, IELTS 6.5**
Korean A2, Spanish A2, German A1, Chinese (Native)
 - **Programming skills: R, Stata, QGIS, SmartPLS, MS Office**
Junior Accountant Title of China (21938015702779)
Foreign Trade and Economic Salesman Certification (0142010754)
High School Teacher Qualification Certificate (Mathematics)
First aid worker in Red Cross Society of China.
 - **Hobbies: Jogging, Classical Piano Music**
-

AWARDS and HONORS:

- IFAMA (International Food and Agribusiness Management Association) Student Membership
 - SNU Global Subsidy Scholarship 2023
 - Grinter Fellowship 2024
 - Erasmus+ Scholarship 2023
 - Lanzhou University **outstanding graduates** 2021
 - 2nd. Prize of the 4th **National University Business English Competition.** 2020
 - 3rd. Prize of the 12th **National University Mathematics Competition.** 2020
 - Third Class Scholarship of Lanzhou University. 2019
 - Outstanding Individual Reward of **National Summer Rural Practice.** 2018
-

MAIN COURSES:

Micro Economics, Macro Economics and Econometrics – Medium and advanced level.

Applied Statistic, SDG (Economic, Environment, and Society), Application of GIS and RS in agriculture.

Summer School of "**Applied Micrometric Economics**" for graduate students in Shanghai. 08/2021

Summer School of **Econometric** for graduate students, Jiangsu Province Government. 08/2022

Summer School of **RS & GIS application in agriculture** for graduate students, Peking University. 07/2022

SOCIAL SERVICE and INTERNSHIP:

- Rural Development in Practice Cordoba, Spain 05/2023
Investigation and Research of Dehesa system, COVAP company, Dairy farmland, Iberian ham chain and visit Grazalema Natural Park.
- Internship Clerk, Chinese Precision Poverty Reduction Program. Inner Mongolia, China 02/2022
Worked in Poverty Alleviation Office of my hometown. Responsible for interviewing and record poverty families and writing reports to submit to the local government.
- **New Oriental** Wuhan Company, **TA.** Wuhan, China 01 - 02/ 2019
Assisted Junior High school student’s Math and English curriculum teaching, homework correction, teaching preparation and after class Q&A.
- Wuhan Geopark Company, JiuXiang Geopark in Yunnan Province. Kunming, China 06/2018
As a popular science volunteer worked with the team to write the report, made video and made blog publicity.
- Director of the activities planning, LZU overseas exchange association. Lanzhou, China 2017-2019
Responsible for planning jointly organizing cultural exchange activities between China and foreign students.
- Program bringing education underdevelopment - PengJiaying Primary School. Gansu, China 05/2017
