Attendance Policy, Class Expectations, and Make-Up Policy

Students are encouraged to attend all classes. Frequent absences will reflect negatively on class participation evaluation. No make-up mid-term exams will be administered. If a student misses a mid-term exam, the lower grade of the other mid-term and final exams will be awarded for the grade of the missed examination. A final exam must be taken to receive a final grade.

Evaluation of Grades

Students are expected to prepare for class meetings by completing assigned readings and problem sets. One mid-term exam (30%) and a final exam (40%) will be administered. The remainder of the class grade will depend on class participation and problem sets (30%).
