Academic Honor Code & Academic Honesty

Academic Honesty: As a student at the University of Florida, you have committed yourself to uphold the Honor Code, which includes the following pledge: *"We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honesty and integrity."* You are expected to exhibit behavior consistent with this commitment to the UF academic community, and on all work submitted for credit at the University of Florida, the following pledge is either required or implied: "On my honor, I have neither given nor received unauthorized aid in doing this assignment."

It is assumed that you will complete all work independently in each course unless the instructor provides explicit permission for you to collaborate on course tasks (e.g. assignments, papers, quizzes, exams). Furthermore, as part of your obligation to uphold the Honor Code, you should report any condition that facilitates academic misconduct to appropriate personnel.

It is your individual responsibility to know and comply with all university policies and procedures regarding academic integrity and the Student Honor Code. Violations of the Honor Code at the University of Florida will not be tolerated. Violations will be reported to the Dean of Students Office for consideration of disciplinary action. For more information regarding the Student Honor Code, please see: <u>https://sccr.dso.ufl.edu/process/student-conduct-code/</u>

Additional Information Regarding Academic Integrity in AEB3935 Plagiarism (3E): The Student Honor Code and Student Conduct Code states that:

"A Student must not represent as the Student's own work all or any portion of the work of another. Plagiarism includes but is not limited to:

- Stealing, misquoting, insufficiently paraphrasing, or patch-writing.
- Self-plagiarism, which is the reuse of the Student's own submitted work, or the simultaneous submission of the Student's own work, without the full and clear acknowledgment and permission of the Faculty to whom it is submitted.
- Submitting materials from any source without proper attribution.
- Submitting a document, assignment, or material that, in whole or in part, is identical or substantially identical to a document or assignment the Student did not author."

Complicity in Violating the Student Honor Code (3B): The Student Honor Code and Student Conduct Code states that:

"Attempting, aiding, encouraging, facilitating, abetting, conspiring to commit, hiring someone else to commit, giving or receiving bribes to secure, or being a participant (by act or omission) in any act prohibited by the Student Honor Code" Therefore, please be aware how your actions may potentially lead to future violations of the Student Honor Code.

Process of Honor Code Violations in AEB3935:

All instances of potential violations of the code will be reported to the UF SCCR team for further investigation. I do <u>NOT</u> email students beforehand nor do I discuss the case details with the student. I can only explain the general process

Course Evaluations

Student assessment of instruction is an important part of efforts to improve teaching and learning. At the end of the semester, students are expected to provide feedback on the quality of instruction in this course using a standard set of university and college criteria. Students are expected to provide professional and respectful feedback on the quality of instruction in this course by completing course evaluations online via GatorEvals. Guidance on how to give feedback in a professional and respectful manner is available at: https://gatorevals.aa.ufl.edu/students/. Students will be notified when the evaluation period opens and can complete evaluations through the email they receive from GatorEvals, in their Canvas course menu under GatorEvals, or via https://ufl.bluera.com/ufl/. Summaries of course evaluation results are available to students at: https://ufl.bluera.com/ufl/. Summaries of course evaluation results are available to students at: https://gatorevals.aa.ufl.edu/public-results/.

Software Use

All faculty, staff, and students of the University are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal penalties for the individual violator. Because such violations are also against University policies and rules, disciplinary action will be taken as appropriate. We, the members of the University of Florida community, pledge to uphold ourselves and our peers to the highest standards of honesty and integrity.

Student Privacy & Lecture Recording

There are federal laws protecting your privacy with regards to grades earned in courses and on individual assignments. For more information, please see the <u>Notification to</u> <u>Students of FERPA Rights</u>.

Additionally, some lectures may be audio visually recorded for students in the class to refer back and for enrolled students who are unable to attend live. Recorded lectures are also used as optional videos for students enrolled in future terms to review to gain the most information regarding alumni careers. Students who participate with their camera engaged or utilize a profile image are agreeing to have their video or image recorded. If you are unwilling to consent to have your profile or video image recorded, be sure to keep your camera off and do not use a profile image. Likewise, students who un- mute during class and participate orally are agreeing to have their voices recorded. If you are not willing to consent to have your voice recorded during class, you will need to keep your mute button activated and communicate exclusively using the "chat" feature, which allows students to type questions and comments live. The chat will not be recorded or shared. As in all courses, unauthorized recording and unauthorized sharing of recorded materials is prohibited.

SYLLABUS & STUDENT HONOR AND CONDUCT CODE QUIZ:

After reviewing the syllabus and information regarding the UF Student Honor and Conduct Code, you will be tested to ensure you understand the expectations of the course and the university's in the academic setting. As both of these will be covered during the first in person day of class, it is suggested you wait to take the quiz until after class. However, you are free to complete it early if desired. The quiz is limited to 2 attempts, so please review beforehand! Top attempt used for grading.

INTRODUCTION DISCUSSION POST:

This assignment will allow your instructor and peers to learn about you and what you are looking to get out of FRE. Please post a short introduction describing you in the discussion group and change your profile picture within Canvas to complete the assignment.

CAMPUS RESOURCE QUIZ:

Getting to know UF and the larger community early can set you up for success in your college career by being knowledgeable of available resources. Since we only have a limited amount of time in class, this assignment hopes to utilize a quiz format to increase awareness. Question formats include multiple choice as well as free response.

STUDENT INVOLVEMENT QUIZ + REPORT: GCL_Student_Quick-Start-Guide.pdf

Involvement is a crucial part of the student experience. We encourage you to explore your personal and professional interests via clubs and organizations on campus. As a head start, students will complete a Student Activities and Involvement Quiz online. Submit this and a plan of what you hope to get involved with this semester and long term.

RESUME LECTURE QUIZ:

We will have visitors from the Career Resource Center to discuss how to prepare for a job search. After this class, there will be a quiz on the lecture provided.

RESUME:

A great resume is not only essential to a successful internship/job search, but also key to obtaining various involvement and leadership opportunities within the College and UF. Create a current resume using the resources available on the Career Resource Center's website (<u>https://career.ufl.edu/students/prepare-for-your-</u> search/prepare-your-tools/).

When submitting your final resume, please make sure to submit a PDF copy of your resume to maintain formatting across platforms. If you wish to have your resume reviewed earlier, please submit early and let me know.

ONLINE NETWORKING PROFILES (LINKEDIN AND GATOR CAREERLINK):

As a University of Florida student, it's important to be familiar with the resources available to you. In addition to networking on popular website such as LinkedIn, the Gator CareerLink is a career portal for UF students to utilize. Employers use this platform to recruit UF students and alumni. This is also a hub for upcoming events, resources, professional opportunities, and much more.

Create a professional profile on LinkedIn and Gator CareerLink. You may find additional details and a rubric on Canvas. Students new to Gator CareerLink are encouraged to use this guide:

Overview of Assignments (Cont.)

ACADEMIC ADVISING:

Many programs (Food and Resource Econ. Included) require most courses to be taken in lock step order. Successful students visit their advisor at least once a semester. To ensure you will remain on track, you will be required to look at your degree audit and come up with a draft schedule for the upcoming semester and note any academic goals you may have (i.e. minor, graduate program, etc.) Submitting the assignment will provide structure and allow FRE students specifically to receive feedback prior to Advanced Registration.

<u>**FRE Students:**</u> Note that a degree checklist with suggested plan is usually emailed to you. Feel free to work based on that. No appointment with me is required.

<u>Non-FRE Students:</u> Meet with major advisor <u>Graduating Students:</u> Provide post-grad plans

GUEST SPEAKER SERIES:

The Food and Resource Economics major opens up a wide variety of job opportunities across many industries. Understanding this, we will have FRE alumni guest speakers to share their experience in FRE, their job search, and details about their current professional background.

Prior to class, it is encouraged that you learn about the guest speaker and submit a question regarding their background or experience.

These questions may be selected during the Q&A portion of the lecture. You are free to ask questions during class, but please remember to submit this in the class assignment before the 11:59PM deadline that evening.

There are 5 guest speakers, so there are 5 assignments in this category in total for a combined 50 point total.

Extra Credit On-Your-Own-Time Opportunities (Optional)

UF SCCR ACADEMIC INTEGRITY MODULE

Educational module developed by the UF Student Conduct and Conflict Resolution Office. In the module, participants engage in scenarios and quizzes used to increase the understanding of the University's Student Honor Code. To receive credit, complete the module including a 100% on the final quiz—submit a screenshot.

UF CAREER CONNECTIONS CENTER EXPRESS DROP-INS

Get your resume or LinkedIn profile reviewed by a Career Coach. Drop-ins are typically around 15-20 minute long—No Appointment Needed! To receive credit, submit proof of attendance as well as the document that was reviewed + final product after edits.

LINKEDIN LEARNING DEVELOPMENT

As a UF student, you are able to access LinkedIn Learning FOR FREE! After creating your LinkedIn profile, invest time completing a LinkedIn Learning Course/ Certification.

To supplement class discussion and engage you in opportunities at UF, some out of class assignments will be included in your grade. If you cannot make these events, there are make-up assignments. Excused absences for these activities will follow the same guidelines as missing a class. If you have a scheduling conflict, please submit the excuse in writing along with documentation before the event to obtain an alternative assignment.

CAREER SHOWCASE

Career Showcase is an university-wide event in which recruiters from across the globe come in to table at the O'Connell Center. There are two days of the event, but most FRE students attend the non-technical day. For more information about Career Showcase please visit: <u>https://career.ufl.edu/events-and-programs/career-fairs/career-showcase/</u>

The assignment is composed of 2 components:

- Prep-Work—Prior to Career Showcase, use your Gator CareerLink to explore companies at the event and positions they are hoping to fill. Select 3 companies you are interested in with 1 position <u>each</u> that you would be interested in applying for. Please include information explaining your fit for the position and how this furthers your professional long- term goals.
- 2. Reflection—After going to Career Showcase and speaking with these three companies, reflect on your experience. Considering this is an event that happens 2x per year, it's best to use this to see how you can improve your approach and qualifications between now and the next event.

If you are unable to make this event, please contact me by the end of Drop/Add for an alternative assignment.

DEVELOPMENT PLAN

With many students engaging in AEB3935 during their first semester in Food and Resource Economics, the final project for the course will summarize your current state as a student and where you plan to go to seek professional and personal development. The assignment has 2 components:

 Development Plan – Using what you have learned in this course, develop a game plan between now and graduation. In addition to doing well in your classes, what is your plan to engage in developing opportunities (professionally and personally). Develop 5 SMART goals you wish to accomplish the next semester and 5 SMART goals you would like to accomplish within the next year. Include how you will achieve these goals, why they are important, and how you will build off of these goals to reach your long term goals (and what that looks like).

Should you need assistance with this assignment, I am happy to meet with students via appointment to discuss connections on LinkedIn and provide guidance on what to focus on in the assignment. However, these appointments are on a first-come-first-serve basis.

Out of Class Attnd. & Assignments (Cont.)

FACULTY INTERVIEW

In FRE, we take the time to get to know each of you personally, so that we can assist you in a more meaningful way. For the assignment, please schedule an appointment with a faculty member in the department. It's best to find a faculty member in which you both share similar interests (i.e. research focus). You will be required select a minimum number of questions from a questionnaire bank to ask your faculty member. However, you are open to asking additional questions as well. Submit this and a small reflection. We hope to discuss in class should time allow. To ensure students are planning ahead, the appointment is split into two and portions (scheduling completing). Plan accordingly.

Please Note: All faculty have been instructed that they may only have 3 students meet with them for this assignment.

CAREER PLANNING APPOINTMENT

It is important to be intentional with the time and activities you participate in while at UF. To complete the assignment, you will schedule and complete a Career Planning Appointment with the Career Connections Center. You can use this guide on how to make an appointment <u>HERE</u>. Choose any of the <u>Topics 2-5; 8-10</u> (under Career Planning Appointments).

To ensure students are planning ahead, the appointment is split into two portions (scheduling and completing). Plan accordingly.

After the appointment, you will submit proof of the completed appointment and a reflection covering what you have learned as a result and how you hope to utilize the information received in your professional development as a UF student.

Extra Credit Event Focused Opportunities (Optional)

CAREER CONNECTIONS CENTER EVENT

In addition to Career Showcase, the Career Connections Center puts on several events throughout the semester. Events by C3 are split up by topic on Canvas but often include Industry Engagement Sessions, OTHER Career Fairs not used for assignment credit, or Workshops/Programs in an area not covered in class.

Industry Engagement Opportunities: <u>https://career.ufl.edu/events-and-programs/industry-engagement-opportunities/</u>
